

## Dennis Henning

November 9, 1960 - April 4, 2025

Dennis Henning, 64, of Grand Rapids, Michigan, resided in Milton, West Virginia, when he passed away at St. Mary's Hospital unexpectedly of unspecified health complications on April 4, 2025. A family man until the end, he is survived by his mother, Joyce Horn; oldest daughter Jennifer and husband Mike; youngest daughter Hanna, as well as four grandchildren: Blayne, Braxton, Jeramiah, and Bianca. He is also survived by many family members in West Virginia, Kentucky, and Michigan. Growing up around the Great Lakes, he was an avid sportsman who loved to fish and hunt. A very simple man, his wish was for his family to mourn privately; as he felt this type of loss was deeply personal. In lieu of flowers, a GoFundMe has been established and can be found on his Facebook page. All donations will be used for costs associated with final expenses. Our family appreciates your support at this time. His Facebook page will be memorialized and we encourage friends and family to leave kind words, messages, and pictures there for us.

There are no services scheduled at this time. Ferrell-Chambers Funeral Home, Huntington, WV are entrusted with arrangements. Online condolences may be expressed to the family at [WWW.Ferrell-ChambersFuneralHome.com](http://WWW.Ferrell-ChambersFuneralHome.com)

“ Your one of a kind dude,yet not the complicated one of a kind. A cherished memory I will never let go of. Is playing guitar with Dennis. I have played music with so many people. Yet this was one of the most special times holding my guitar, when it was happening I told myself. "I have never jammed with my woman's father,my in law" I'm glad I got to meet him and spend time with Dennis. Rest in paradise pulling in the reel on that fishing boat. I love you dude and will always miss you. Thank you for giving me my partner in life. My parents loved you and the time we spent. I have so much more to say but need to find a better way then rambling.

“ The first time I met Dennis was 37-years ago on my first trip to West Virginia with my wife Lorrie who was his Sister in Law. We immediately became friends as we had the same interests and opinions. Like me if he thought it he said it so there was no deception with which to contend. I know his health was deteriorating over the last several years and know that he is finally free of the pain and suffering with which he lived for so long. May he rest in peace and The Grace of God through eternity.

“ I only met Dennis one time when I was visiting West Virginia to see my son and daughter-in-law. He was a very nice man and I enjoyed talking to him. His daughter is married to my son and I could not ask for a better person. I love her like she's my own daughter. I will be praying for comfort for the whole family.

“ I'm so sorry to hear of the loss of my cousin Dennis. In my childhood days, some of my fondest memories were visiting Grandma Henning's/Aunt Verna's houses on Sunday and finding my older cousin Dennis there. Being about 6 years apart, I admired Dennis as an older role model and thought he was really cool. I missed him when he moved away from Michigan and we lost connection as we grew older. It felt really good finally reconnecting a few years ago on some walleye fishing trips on Lake Erie with Dennis and my dad. It was awesome to see that he never changed and was still my "cool" cousin - we had some great conversations and it felt really good seeing him again. I know he's at peace now, and am comforted with the thought that my dad now has a fishing buddy in heaven.

Deepest Sympathies,  
Cousin Jim

“ *My deepest sympathy goes out to the family of Dennis. He was a very fun nephew that enjoyed fishing with his Uncle Bob at Lake Erie. Dennis was taken way too soon, but with his failing health, he is in a better place. Love, Aunt Marcia*
