

## Frank William Chapman Jr

April 5, 1947 - May 3, 2024

Frank W. Chapman Jr.

Formerly of Huntington, WV, passed away peacefully at a VA Medical Foster Home in Proctorville, OH on Friday, May 3, 2024. He was Seventy Seven years old.

Frank was a quiet private man. He loved his family immensely and displayed it through acts of kindness every chance he got. He served our Country, loved to travel... an avid fan of his former hometown team, the Syracuse Orangemen, A wine connoisseur of sorts, a chef who would literally try anything once...a lover of all genres of music, a collector of many things and the most gentle giant you'd ever meet. He genuinely loved to see other people win and cheered on every single one of us in every journey we went on. Others happiness made him happy.

Frank will be missed and leaves a host of family members, friends and extended family to mourn his passing. A special thanks to his VA Medical Foster Home Caregiver and Hospice of Huntington. A private celebration of Frank's life will be held at a later date. Ferrell-Chambers Funeral Home, Huntington, WV is handling arrangements.
