“ I wish we could go back to those fun-filled, carefree days we spent on the boat and you could have your time back with Nathan. We had many other years of memories together, but those times were my favorite. I will never forget what a special friend you were. You will be missed

“ I put a butter fly on here for her because she came to Boone Co. a few years back for 10 days. We went in hills daily on my 4x4 and every butterfly she saw close to us she believed was Nate. Now I will feel the same about her when I see one.

“ Nothing seems real. Like it's all as foggy dream. I was frustrated the other day and I went to call you... took me a second for reality to smack me in the face. I hope & pray your heart isn't broke💔 anymore and you aren't faking your smile, because you are with grandma & Nate. Not to mention so many more family members. I'm sorry for everything... please keep me & the boys safe. You may be gone but never forgotten. WE Love you always & forever.♡♡♡
